

# So Sweet

**Nick Carter**

So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Take me to the  
Candy shop  
All the way up  
To the mountain top

So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Take me to the  
Candy shop  
All the way up  
On the mountain top

Bubblegum clouds  
Lollipop trees  
Wondering a land  
That's got virtual leaves  
I've been drowning in a  
Digital dream and I  
Can barely breathe  
And I'm lost at sea  
And I've been  
Screaming at the top of my lungs  
This place a drug  
Keep it all to myself as she  
Watches above  
I'm a lost soul  
Only looking for love  
I'm in a candy coated nightmare  
Enough is enough

I've got a bad bad  
Feeling in this place  
The colorful swirls  
A mystic rainbow haze  
A sinister field of  
Cotton candy sways  
Can anyone out there  
Please just end this game

So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Take me to the  
Candy shop  
All the way up  
To the mountain top

So sweet and I'm  
All out of time  
Digital and I'm

Out of my mind  
Take me to the  
Candy shop  
All the way up  
On the mountain top

Quicksand  
Like sugar  
Pulls me down  
So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Quicksand  
Like sugar  
Pulls me down  
So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind

Vanilla sky  
Sprinkles when the sunsets  
Paradise  
Glazed with enticement  
The highest of highs and I'm  
Out of my mind  
I'm stirring my eyes  
Feels like I'm stuck in time

Why is spirit taking flight  
I'm feeling weary  
Am I alive or in a digital series  
A circus with characters  
And they're evil are you hearing?  
All the screams from the nightmares blaring

So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Take me to the  
Candy shop  
All the way up  
To the mountain top

So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Take me to the  
Candy shop  
All the way up  
On the mountain top

Quicksand  
Like sugar  
Pulls me down  
So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind  
Quicksand

Like sugar  
Pulls me down  
So sweet and I'm  
All out of time  
Digital and I'm  
Out of my mind
