

# Lime Tree Arbour

Nick Cave & The Bad Seeds

**Am**

1. The boatman calls from the lake

**F** **G**

A lone loon dives upon the water

**Am**

I put my hand over hers

**F** **G** **C**

Down in the lime-tree arbour

2. The wind in the trees is whispering

Whispering low that I love her

She puts her hand over mine

Down in the lime-tree arbour

**G**

R: Through every breath that I breathe

**Am** **F**

And every place I go

**Fm** **C** **Am**

There is a hand that protects me

**F** **G** **C**

And I do love her so
