

# Free Ride

Nick Drake

I know you  
I care too  
I see through  
All of the pictures that you keep on the wall  
All of the people that will come to the ball

But hear me calling  
Won't you give me  
A free ride  
Hear me calling  
Won't you give me  
A free ride

I know too  
What you do  
When you're through  
Counting the cattle as they go by the door  
Keeping a carpet that's so thick on the floor

But hear me calling  
Won't you give me  
A free ride  
Hear me calling  
Won't you give me  
A free ride

I know you  
I care too  
I see through  
All of the pictures that you keep on the wall  
All of the people that will come to the ball

But hear me calling  
Won't you give me  
A free ride  
Hear me calling  
Won't you give me  
A free ride
