

Outlaws

Nick Fradiani

Outlaws baby, running for our lives

We some outlaws baby, we'll be running till we die

Oh no

What did I do

I fell in love

With a killer like you

And I didn't have a clue

You were on the run for the bad that you do

But I still want you

I still want you

I still want you

I still want you

Oh my

I'm finally alive

Might not be long

With a bounty so high

But now I realize

This is what I want till the day that I die

And I still want you

I still want you

I still want you

I still want you

We some outlaws baby, we'll be running for our lives

Loving what we're doing, 'cause we do it side by side

We some outlaws baby, we'll be running till we die

We some outlaws baby, worse than Bonnie and Clyde

We some outlaws baby, we'll be running for our lives

Loving what we're doing, 'cause we do it side by side

We some outlaws baby, we'll be running till we die

We some outlaws baby, worse than Bonnie and Clyde

(I still want, I still want, I still want)

I still want you

Oh, you

I want you, you, you, you

I want you

I still want you

I said I want, well I want

I want you

Oh, I still want you

We some outlaws baby, we'll be running for our lives

Loving what we're doing, 'cause we do it side by side

We some outlaws baby, we'll be running till we die

We some outlaws baby, worse than Bonnie and Clyde
