

Run Away

Nick Fradiani

Babe, we been working so hard trying to get these bills paid
Seems like nothing we do ends up going our way
Come on when was the last time that we called a break, mmh

I've been saving every penny for you dear
I sold everything to get us out of here

Let's run away
Let's run away
Let's run away

Us, we forgot how it feels to be nothing but us
Feet on my dash, driving fast, find the places we love
Come on baby remember when that was enough, mhm

I've been waiting, I've been waiting all day long
To tell you by the morning we'll be gone

Let's run away
Let's run away
Let's run away

I don't have much money but as long as you love me (let's run a way)
I don't have to worry 'cause I got all I need
I don't have much money but as long as you love me
I don't have to worry 'cause I got all I need

I've been saving every penny for you dear
I sold everything to get us out of here

Let's run away
Let's run away
Let's run away

Run away, run away, run away, run away, run away with me (let's run away)
Run away, run away, run away, run away, run away with me (let's run away)

I don't have much money but as long as you love me (let's run a way)
I don't have to worry 'cause I got all I need
I don't have much money but as long as you love me
I don't have to worry 'cause I got all I need
