

Scared

Nick Fradiani

Oh-whoa, oh-whoa
Oh-whoa, oh-whoa

Ever wake up and hope you're still dreaming
Broken or sleeping makes room for believing
I beg you to love me but pray you'll release me
Please let me go but don't ever forget me
Please let me go but don't ever forget me

I know that you're bad for me but I'm scared of letting go
I know what my heart's trying to tell me but I'm scared of letting go
I know all my friends talk about it and I'm trying not to show
That I'm just a beat down, torn up victim of love
Who's scared of letting go
Who's scared of letting go

Feel it most when no one is around me
Seems like silence's just screaming so loudly
Saying your name till I'm begging on my knees
Please let me go but don't ever forget me

I know that you're bad for me but I'm scared of letting go
I know what my heart's trying to tell me but I'm scared of letting go
I know all my friends talk about it and I'm trying not to show
That I'm just a beat down, torn up victim of love
Who's scared of letting go
Who's scared of letting go

Please let me go
God knows you won't
I'm begging, I'm pleading
I'm praying I need you to

Please let me go
God knows you won't
I'm begging, I'm pleading
I'm praying I need you to

Please let me go (Let me go)
God knows you won't (No you won't)
I'm begging, I'm pleading (No you won't)
I'm praying I need you to (Let me go)

Please let me go
God knows you won't
I'm begging, I'm pleading
I'm praying I need you to

(Ooh)

I know that you're bad for me but I'm scared of letting go
(No I'm scared, no I'm scared, no I'm scared now)
I know what my heart's trying to tell me but I'm scared of letting go
(Letting go)
I know what my friends talk about and I'm trying not to show
(You know I'm trying, you know I'm trying)
That I'm just a big damn torn up victim of love

Who's scared of letting go

Oh, please let me go
God knows you won't
I'm begging, I'm pleading
I'm begging, I'm pleading
(Who's scared of letting go)

Please let me go
God knows you won't
I'm begging on my knees
I'm screaming so loudly
(I'm scared of letting go)

So please let me go
God knows you won't
I'm begging, I'm pleading
I'm scared of letting go
