

Ani wanted real love  
Glad I found her  
She told me how she feels  
And what's inside her  
She opened up her heart  
Out poured diamonds  
She showed me what's inside of her  
A fountain

A garden with a fountain, take a drink so we can loosen up  
A drink to loosen up  
A drink to loosen up  
Every day, we feel like there's something to prove  
But I only want, I only  
I only wanna prove to you

Darling, I love you  
And I'm so proud  
There's nothing left to do  
Except to show how  
I cannot look away, damn  
What's this feeling?  
I can't tell if you're real  
Or if I'm dreaming

In this garden with a fountain, take drink so we can loosen up  
A drink to loosen up  
A drink to loosen up  
Every day, we feel like there's something to prove  
But I only want, I only  
I only wanna prove to you
