

# Heaven

**Nick Hakim**

Everybody wants to go to Heaven  
First you gotta pass  
Are you ready for that?  
Everybody wants to go to Heaven  
No one wants to die

Cause everybody wants to go to Heaven  
First you gotta pass  
Are you ready for that?  
Everybody wants to go to Heaven  
No one wants to die

What if Heaven's right here?  
What if Heaven's right here?
