

Only One

Nick Hakim

When she makes love to me
She drinks the air I breathe
I love the way that she
Looks down on me
Watching over me
She drinks the air I breathe
While she makes love to me

She goes out at night
And then comes home to me
I love the way that she
Wraps around me
When she makes love to me
She drinks the air I breathe
She drinks the air I breathe

I don't mind what you do when
You're not here as long as you act like
I'm the only one
I'm the only one

I be working late
Working like a dog
But when she pulls up
She's surrounded by the fog
From the blunt she smokes
From this gloomy night
She sips the air I breathe
She's so good to me

I don't mind what you do when
You're not here as long as you act like
I'm the only one
I'm the only one

I love it, I just wanna get it back
With you
I just wanna get it back
I just wanna get it back with you
Only one
