

## Something

Nick Hakim

Dear time, I beg you, please, slow down  
You're moving fast and running out  
I've got so much love to give  
I need to learn to forgive

Please, just take me as I am  
I'm not perfect, but I'm searching  
Lusting for a feeling that means something  
I just wanna feel something

Dear daddy, where do I begin?  
Bullets fall out when I start to think  
I don't wanna think anymore  
Let's just pretend nothing's wrong

Please, just take me as I am  
I'm not perfect, but I'm searching  
Lusting for a feeling that means something  
I just wanna feel something
