

Vertigo

Nick Hakim

(The visions that you have in your mind)
(They can come true if you give it some time)
(If you give it some time)

Darling
Time seems to slow down
When you're near me
Spinning
Fast as hell
Can't tell if it's me or the room that's moving
Spinning fast as hell, can't tell what's moving

Slow down
Make this moment last
A bit longer
Slow down
Watch the light shine through her
Damn, is this love?
Light shines through her mouth while we make love

Darling
Time seems to slow down
When you're near me
Baby
I think this is the kind of love
That we've needed
I'm not going nowhere 'til we feel it

Slow down
Make this moment last
A bit longer
Spinning
(Fast as hell, can't tell)
Fast as hell
Can't tell if it's me or the room that's moving

I'm not going nowhere 'til we feel it
Spinning fast as hell, can't tell what's moving
Spinning fast as hell, can't tell what's moving
I'm not going nowhere 'til we feel it
Spinning fast as hell, can't tell what's moving
Spinning fast as hell, can't tell what's moving
