

Company Way

Nick Jonas

Mr. Twimble

Yes?

You've been with this company a long time, haven't you?

A long, long time. Just last month I became a quarter of a century man

Aww, that's beautiful! Gee, a quarter of a century!

A quarter of a century!

And how long have you been in the mailroom?

25 years. Yep! It takes a combination of skill, diplomacy and bold caution

When I joined this firm

As a brash young man

Well I said to myself now brash young man

Don't get any ideas, well, I stuck to that

And haven't had one in years.

Ah, you play it safe

I play it the company way.

Wherever the company puts me

There I'll stay.

But what's your point of view?

I have no point of view!

Supposing the company thinks

I think so too!

Now, what would you say if they put you-

I wouldn't say!

You're facing the company face

It smiles at executives

then goes back in place!

The company furniture...

Oh, it suits me fine!

The company letterhead...

A Valentine!

Is there anything you're against?

Unemployment!

When they want brilliant thinking
from employees

That is no concern of mine

Suppose a man of genius make suggestions

What's that genius get suggested to resign?

So, you play it the company way?

Oh, company policy is by me ok.

You'll never rise up to the top

But there's one thing clear
Whoever the company fires
I will still be here!

Oh, you certainly found a home.

It's cozy

Your brain is a company brain.

The company washed it,
Now I can't complain.

The company magazine...

Know what style, what punch

The company restaurant

Every day same lunch.
Their haddock sandwich, it's delicious.

I must try it!

Early in the week.

Do you have any hobbies?

I've a hobby, I play gin with Mr. Bratt.

And do you play it nicely?

Play it nicely, still he blitzes me on every game like that!

Why?

'Cause I play it the company way.
Executive policy is by me ok

How can you get anywhere?

Junior have no fear.
Whoever the company fires
I will still be here.

You will still be here.

Year, after year, after fiscal,

Never take a risko year!
