

Crazy Kind Of Crush On You

Nick Jonas

Woo! Come on!
You ready? Here we go!

First day at school
I was trying to play it cool
Chilling with my friends
Trying to pretend
That I didn't notice you

Three rows down
Second to the left
With your big brown eyes
And your brand new dress
Right then I saw my dream come true

'Cause my knees got weak
Knocked off my feet
I tried but I couldn't find the words to speak
I can't let go
My heart says "Woah!"
Girl I gotta let you know

'Cause I got this
Awesome, amazing
Crazy kinda crush on you
And though I try to forget you
It doesn't matter what I do
You're on my mind all the time
It's a crime I can't deny
It's true
'Cause I got this
Awesome, amazing
Crazy kinda crush on you
Crazy, crazy
Crush on you

On the bus ride home
I saw you were alone
So I took my chance
Asked you to the dance
And prayed you wouldn't say no

Oh I just can't wait for Friday night
Gonna hold your hand
When the time is right
Can't help but let my feelings show, yeah

I'm gonna walk you home
Talk on the phone
Tell you how I'm feeling
When we're all alone
I wanna jump and shout
Sing it out loud
Girl you know there'll be no doubt

'Cause I got this
Awesome, amazing

Crazy kinda crush on you (Crazy kinda crush on you)
And though I try to forget you
It doesn't matter what I do
You're on my mind all the time
It's a crime I can't deny
It's true
'Cause I got this
Awesome, amazing
Crazy kinda crush on you
Crazy, crazy (Crazy, crazy)
Crush on you

Woo!
Hey yeah!
Crazy kinda crush on you

Cause my knees got weak
Knocked off my feet
I tried but I couldn't find the words to speak
I can't let go
My heart says "Woah!"
Girl I gotta let you know

'Cause I got this
Awesome, amazing
Crazy kinda crush on you (Crazy kinda crush on you)
And though I try to forget you
It doesn't matter what I do (It doesn't matter what I do, yeah)
You're on my mind all the time
It's a crime I can't deny
It's true (Can't deny, it's true)
'Cause I got this
Awesome, amazing
Crazy kinda crush on you
Crazy, crazy
Crush on you
Crazy, crazy
Crush on you
