

Rosemary

Nick Jonas

Suddenly there is music
In the sound of your name
Rosemary, Rosemary
Was the melody locked inside me
'Till at last out it came

Rosemary, Rosemary
Just imagine if we kissed
What a crescendo

Not to be missed
As for the rest of my life-time program
Give me more of the same

Rosemary, Rosemary
There is wonderful music in the very sound
Of your name

Ponty! I heard from [?] at the party. Where is she?

Rosemary, the most wonderful thing has happened.

What are you talking about?

Can't you hear it? Can't you hear it?
Suddenly there is music
In the sound of your name.

I can't hear a thing.

Rosemary, just listen!
It's all around me like a beautiful pink sky

Now, look here J. Pierpont Finch, have you lost your mind?

Rosemary, darling, will you marry J. Pierpont Finch?

Now I hear it! I hear it! I hear it!
Suddenly there is music
In the sound of your name.
J. Pierpont!

Rosemary, just imagine
If we kissed, what a crescendo.

Not to be missed

As for the
Rest of my life-time program
Give me more of the same

Rosemary, Rosemary / J. Pierpont, J. Pierpont
Rosemary / J. Pierpont
There is wonderful music
In the very sound of your name
