

Watch Me

Nick Jonas

Baby, ow!

More hooks than a coat rack
Why why would I hold back?
Click tight like a Kodak
Just try and stop me, try and stop me
Fast break on the home court
Oh so hard, make your knees sore
Work fast and we play more
Just try and stop me, try and stop me

I'm on a new trip
Rocket to the moon ship
I feel like turning up the music
So if you dare come move

Watch me
Come on watch me, watch me
Come on watch me, watch me

Felt good when I woke up
Lightweight bulldozer
I burn bright like a toaster
Just try and stop me, try and stop me
Long time to the climax
Find out girl, like me shine that
Oh no, we don't hold back
Just try and stop me, try and stop me

I'm on a new trip
A rocket to the moon ship (oh yeah, yeah)
I feel like turning up the music (oh, oh)
So if you dare come move

Watch me
Watch me
Come on watch me, watch me
Watch me
Come on watch me, watch me, watch me
Yup

I'm just about to bust a move

Oh, I'm on a new trip
A rocket to the moon ship
I feel like turning up the music
So if you dare come move

Watch me
Come on watch me, watch me
Yeah
Come on watch me, watch me
I said watch me now
