

You Got Me

Nick Jonas

You're like ice cream and coffee
Blue skies and apple trees
You got me, you got me
We're like white tees and James Dean
Perfect and evergreen
You got me, yeah, you got me

I'm not scared to fall
I'm not scared at all
Take my hand and know
That you got me
Look at what we found
Don't know where or how
So much safer now
'Cause you got, you got, you got me
You got me

Tuesdays at Harry's
Tube socks and memories
You got me, yeah, you got me
There were parts of me
I thought that no one else would ever see
But then you got me, yeah, you got me

I'm not scared to fall
I'm not scared at all
Take my hand and know
That you got me
Look at what we found
Don't know where or how
So much safer now
'Cause you got, you got, you got me
You got, you got, you got me

2:00 a.m., kitchen table
Red wine and chamomile
You got me, you got me
Looking at you sideways
Nothing's wrong, I just can't believe you got me
Yeah, you got, you got, you got, you got me

I'm not scared to fall
I'm not scared at all
Take my hand and know
That you got me
Look at what we found
Don't know where or how
So much safer now
'Cause you got, you got, you got me
'Cause you got, you got, you got me

There will come a day
When everything will change
But still you got me, you got me
