Come Softly To Me
Come softly, darling
Come to me, sta-ay
You're my obsession
For ever and a day

I want, want you to know
I love, I love you so
Please hold, hold me so tight
All through, all through the night..

Speak softly, darling Hear what I say I love you always Always and always

I've waited, waited so long
For your kisses and your touch
Please come, come to me
From up, from up above

Speak softly, darling Hear what I'm saying I love you truly truly, truly

I want, want you to know
I love, I love you so
I need, need you so much
I wanna feel your warm touch

Come softly, darling Come to me, stay You're my obsession For ever and a day

Come softly, darling Hear what I say I love you always Always and always

Come softly, darling
Come to me, stay (repeat)
