

## Switch

Nick & Knight

No question, girl, your love has got me feeling up  
Hey, you know I like it  
And when you start to pressing up, ain't nothing between us  
Hey, I get excited

Girl let me tell you something, you got my heart jumping  
Got my whole whole body bumping, can't get enough of you baby  
Before too long you sweating, we both anticipating  
Girl, there ain't no use waiting

Now you got me saying (alright, alright, alright, alright)  
I want to stay (all night, all night, all night, all night)  
Ooh you make me feel (so right, so right, so right, so right) s  
o right  
I get lost in time with you

You can control me like a switch  
Ooh you know you turn me on  
You know you turn me on  
Girl, I'm so helpless every time you flick your switch  
Ooh, you know you turn me on  
And I can't get enough babe

Girl, where your heart ends, that's where my heart ends  
Hey, ain't no question  
Ooh, and every time you smile, you know you drive me wild, yeah  
There ain't no guessing

Girl let me tell you something, you got my heart jumping  
Got my whole whole body bumping, can't get enough of you baby  
Before too long you sweating, we both anticipating
