

Sleepy Eyes

Nick Lachey

Sleepy eyes say goodnight
Time to kiss the sun goodbye
Sleepy eyes I'll hold you tight
Rest until the morning

Favorite books have all been read
I checked for monsters under the bed
Teddy's bear and snowflake too
Off we go to dreamland

No one knows what tomorrow brings
But I'll be here through everything
Sleepy eyes say goodnight
Sweet dreams little one

Cotton candy carousels
Pennies in the wishing well
Shining stars are never far
You can see them dancing

Building castles in the sand
Catch a firefly if you can
Skipping stones and ice cream cones
Morning birds are singing

No one knows what tomorrow brings
But I'll be here through everything
Sleepy eyes say goodnight
Sweet dreams little one

No one knows what tomorrow brings
But I'll be here through everything
Sleepy eyes say goodnight
Sweet dreams little one
