

# What's Left Of Me

Nick Lachey

Watch my life,  
Pass me by,  
In the rear view mirror  
Pictures frozen in time  
Are becoming clearer  
I don't wanna waste another day  
Stuck in the shadow of my mistakes

Yeah...

Cause I want you,  
And I feel you,  
Crawling underneath my skin  
Like a hunger,  
Like a burning,  
To find a place I've never been  
Now I'm broken,  
And I'm fading,  
I'm half the man I thought I would be:  
But you can have what's left of me

I've been dying inside,  
Little by little,  
No where to go,  
I'm going out of my mind  
An endless circle,  
Running from my self until,  
You gave me a reason for standing still

And I want you,  
And I feel you,  
Crawling underneath my skin  
Like a hunger,  
Like a burning,  
To find a place I've never been  
Now I'm broken,  
And I'm fading,  
I'm half the man I thought I would be:  
But you can have what's left of me

Falling faster,  
Barely breathing,  
Give me something,  
To believe in  
Tell me: It's not all in my head

Take what's left  
Of this man  
Make me whole  
Once again

Cause I want you,  
And I feel you,  
Crawling underneath my skin  
Like a hunger,  
Like a burning,  
To find a place I've never been

Now I'm broken,  
And I'm fading,  
I'm half the man I thought I would be:  
But you can have what's left of me

I've been dying inside you see  
I'm going out of my mind  
Out of my mind  
I'm just running in circles all the time  
Will you take what's left  
Will you take what's left  
Will you take what's left of me?  
Just running in circles in my mind  
Will you take what's left  
Will you take what's left  
Will you take what's left of me?
