

# Ba Doom

Nick Lowe

Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom

You got a smile like a searchlight  
(Ba, ba-doom, ba-doom, ba-doom)  
And it affects all meat  
(Ba, ba-doom, ba-doom, ba-doom)  
Sometimes I could eat-a you up  
(Ba, ba-doom, ba-doom, ba-doom)  
Because you're so sweet  
(Ba, ba-doom, ba-doom, ba-doom)

God knows I love you  
(Ba, ba-doom, ba-doom, ba-doom)  
I have to say out loud  
(Ba, ba-doom, ba-doom, ba-doom)  
I don't speak with a forked tongue  
(Ba, ba-doom, ba-doom, ba-doom)  
Because I'm much too proud

You, you, you, you, you got enough for two  
When I stop, check (Oh, hey)  
My lovesick love on you  
My lips say hip-hooray  
It ain't me lookin' tender  
It's because, if you remember, that

You got a smile like a searchlight  
(Ba, ba-doom, ba-doom, ba-doom)  
And it affects all meat  
(Ba, ba-doom, ba-doom, ba-doom)  
You stake a spot straight into my heart  
(Ba, ba-doom, ba-doom, ba-doom)  
I'm stepping on one knee  
You, you, you, you, you got enough for two

Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom  
Ba, ba-doom, ba-doom, ba-doom, yeah  
Ba  
(Alright)  
(Okay)
