

# Breakaway

Nick Lowe

A-breaka-, a-breaka-, a-breaka-, a-breaka-  
(Break, break, break, break)  
A-breaka-, a-breaka-

A-breaka-breaka-breakaway, for time is flyin'  
Breakaway, my heart is cryin'  
It's time I told myself, don't sit and mourn  
Feeling sad and so forlorn  
Yesterday, I was not born  
So I'm gonna break away

Breakaway (Breakaway, breakaway), the wind is whining  
Breakaway (Breakaway, breakaway), for time is flying  
I'm gonna pack my bags and get my coat  
Lock my door and leave a note  
Take a train or a plane or a boat  
But I'm gonna break away

I'll take me round from town to town  
And I'll see the friends I knew  
I left 'em by the wayside  
Once upon a time or two

It's time I upped and got away  
I need to oh so bad  
And if I find a new love  
I'll be glad, glad, glad

Breakaway (Breakaway, breakaway), for time is flyin'  
Breakaway (Breakaway, breakaway), my heart is cryin'  
It's time I told myself, don't sit and mourn  
Feeling sad and so forlorn  
Yesterday, I was not born  
So I'm gonna break away

(Breakaway, breakaway)

I'll take me round from town to town  
And I'll see the friends I knew  
I left 'em by the wayside  
Once upon a time or two

It's time I upped and got away  
I need to oh so bad  
And if I find a new love  
I'll be glad, glad, glad

Breakaway (Breakaway, breakaway), the wind is whining  
Breakaway, for time is flying  
I'm gonna pack my bags and get my coat  
Lock my door and leave a note  
Take a train or a plane or a boat  
But I'm gonna break away  
I'm gonna break away  
I'm gonna break away  
I'm gonna break away (Breakaway, breakaway)

Ooh, ooh, ooh (Breakaway, breakaway)  
Breakaway  
Breaka-, breaka-  
Break, break, break, breaka-  
Break, breaka-, break, breakaway
