

## Changing All Those Changes

Nick Lowe

Darling, I should have reconsidered  
All those things I said I'd do  
So now I'm changing all those changes  
That I made since I left you

Sweetheart I'm changing all those changes  
That I made since I left you  
Because I made those changes  
When I thought you were untrue

But now you're gone, I've found I'm wrong  
And there's nothing I can do  
Except to change back all those changes  
That I made since I left you

But now you're gone, I've found I'm wrong  
And there's nothing I can do  
Except to change back all those changes  
That I made when I left you

I didn't stop to think  
I just left without a care  
And now I know you're gone  
And I can't find you anywhere

I should have reconsidered  
All those things I said I'd do  
So now I'm changing all those changes  
That I made since I left you  
Yes, I'm changing all those changes  
That I made since I left you
