

Heartbreaker

Nick Lowe

I have to say it and it's hard for me
You've got me cryin' like I thought I would never be
Love is believin' but you let me down
How can I love you when you're not around

Get to the morning and you never call
Love should be everything or not at all
But it don't matter what ever you do
I made a life out of lovin' you

Only to find any dream that I follow is dying
I'm cryin' in the rain
I should be searchin' my world for a love everlasting
And feeling no pain, when will we meet again

Why do you have to be a heartbreaker
Is this the lesson that I never knew
Gotta get out of the spell that I'm under
My love for you
Why do you have to be a heartbreaker
When I was bein' what you want me to be

Suddenly everything I ever wanted
Has passed me by
This world will end
Not you and I

My love is wider than the universe
My soul's cryin' for you and that can't be reversed
You made it up but you couldn't see
You made a life out of hurtin' me

Out of my mind
I am held by the power of you love
Tell me when do we try
Or just say goodbye

Why do you have to be a heartbreaker
Is this the lesson that I never knew
Gotta get out of the spell that I'm under
My love for you
Why do you have to be a heartbreaker
When I was bein' what you want me to be
Suddenly everything I ever wanted
Has passed me by
This world will end
Not you and I
