

# I Don't Want the Night to End

Nick Lowe

Don't want the night to end  
I don't want to hear the birds in the trees  
Daylight ain't my friend  
I don't ever want the night to end

Don't want the day to come  
I don't want to see the cool grey dawn  
Daylight do not descend  
I don't ever want the night to end

I want to carry on and on and on and on and on  
I feel so right and strong and strong and strong and strong

Don't want the night to end  
I don't want to see it go away  
Can't stop and start again  
I don't ever want the night to end

I want to carry on and on and on and on and on  
I feel so right and strong and strong and strong and strong

Don't want the night to end  
I don't want to see it go away  
Can't stop and start again  
I don't ever want the night to end  
I don't ever want the night to end  
I don't ever want the night to end  
I don't ever want the night to end
