

# Israel

Nick Mason

Were you hear five thousand years ago  
Promising the promised land  
Corinthians, Corinthians  
Dancing on unbroken burning sand

Where no trees or living things would grow  
Selling the romantic dream  
Phoenicians, Phoenicians  
Real estate is hard to find, ideas undermined  
Wrong place and wrong time

(CHORUS)

Goodbye, good thing  
Africa's a lonely place  
Goodbye, good thing  
Missionaries in position pray  
Oh Israel

Have you lost what others never find  
Blame the unforgiving sun  
Arabians, Arabians  
Neighbors are so hard to tame  
When you don't look the same  
Give them a smile say

CHORUS
