

# My Maker

**Nick Mulvey**

It's a mad world but our maker is good  
It's a mad world but our maker is good  
It's a mad world but our maker is good  
It's a mad world but our maker is good

So never doubt in the dark what you knew in the light  
Never doubt in the dark what you knew in the light

It's a mad, mad world but our maker is good  
It's a mad world but our maker is good  
So good...  
So good...

God shares His secrets with those who fear Him  
God shares His secrets with those who fear Him  
God shares His secrets with those who fear Him  
God shares His secrets with those who fear Him

So never doubt in the dark what you knew in the light  
Never doubt in the dark what you knew in the light

It's a mad world but our maker is good  
It's a mad world but our maker is good  
So good...  
So good...
