

# Nothing Lasts Forever

Nick Mulvey

The hope that I was holding, the hope I held inside my soul  
Well I gave it to the all  
It was time to let it go  
To see what new was coming, see what new coming through  
Breaking down and breaking through  
Breaking down and breaking through

'Cause nothing lasts forever, nothing's ever as it seems, yeah, yeah  
Show me ochre, show me scenes  
Painting colours in my dreams  
No, nothing lasts forever, nothing's ever as it seems  
Show me ochre, show me scenes, yeah, yeah  
Painting colours in my dreams

Laid bare by the solitude and the ocean  
Stripped back again by the wisdom in her tides  
Made whole again in the fullness of the forest  
And I'm going there, yes, I'm going there, in time

The people that I have been, the boy who looked into the soul  
The one who couldn't let it go, now  
The man who said he had it all  
Lover, king, magician, warrior, protect the queen  
Well I call them back to me, the many beings I have been

'Cause nothing lasts forever, nothing's ever as it seems, yeah, yeah  
Show me ochre, show me scenes, yeah, yeah  
Painting colours in my dreams  
Hey chicamo my lover, I see you moving in your flow now  
I see you reaching as you grow and  
I know it's time to let you go

Laid bare by the solitude and the ocean  
Stripped back again by the wisdom in her tides  
Made whole again in the fullness of the forest  
And I'm going there, yes, I'm going there, in time

'Cause nothing lasts forever, nothing's ever as it seems, yeah, yeah  
Show me ochre, show me scenes, yeah, yeah  
Painting colours in my dreams  
No, nothing lasts forever, nothing's ever as it seems  
Show me ochre, show me scenes  
Painting colours in my dreams

Because I love you like an ocean, I loved you like the forest grows  
Learning how to let it show, now  
Learning how to learn you know
