

Just One More

Nickelback

Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone
If you've got room for just one more
Just one more

All the stars (All the stars)
Are burning out on me
There's a hotel in the clouds
The sign says "No vacancy"
From the top (From the top)
Of my lungs, I start to scream
From the bottom of my heart
Why aren't you still here with me? Oh

Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone
If you've got room for just one more
Just one more
Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone
If you've got room for just one more
Just one more
Just one more

Wake me up (Wake me up)
Help me understand
Why I'm here all by myself
With these feathers in my hand
If there's a way (If there's a way)
To lean a ladder on the moon
I would climb up there tonight
Just so I could be with you, oh

Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone
If you've got room for just one more
Just one more
Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone
If you've got room for just one more
Just one more
Just one more
Just one more

Won't stop 'til we're eye to eye ('Til we're eye to eye)
Tell me where to sign on the dotted line (On the dotted line)
Won't stop 'til we're eye to eye
Even if it means I've gotta give my life
Tell me where to sign on the dotted line
Heaven, if you hear me, give me back what's mine

Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone
If you've got room for just one more
Just one more
Tell me, Lord, where'd my little angel go?
'Cause I'm down here alone

If you've got room for just one more
Just one more

Won't stop 'til we're eye to eye
Even if it means I've got to give my life (Just one more)
Tell me where to sign on the dotted line
Heaven, if you hear me, give me back what's mine (Just one more)
Just one more
