

Leader Of Men

Nickelback

E

E **G**
Tell your friends not to think aloud

D **E**
Until they swallow

E **G**
Whisper things into my brain

D **E**
Your voice sounds so hollow

E **G**
I am not a leader of men

D **E**
Since I prefer to follow

E **G**
Do you think I could have a drink

D **E G D**
Since it's so hard to swallow

E
So hard to swallow

E **G**
So turn the television off

D **E**
and I will sing a song

E **G**
And if you suddenly have the urge

D **E**
You can sing along

E **G**
I touch your hand, I touch your face

D **E**
I think the fruit is rotten

E **G**
Give me lessons on how to breath

D **E G D**
Cause I think I've forgotten

E
I think I've forgotten

E **G**
One day, up to a cliff

D **E**
That overlooked the water

E **G**
I jumped in to save a girl

D **E**
It was somebody's daughter

E **G**
And now the ring is on my hand

D **E**
It was given to me by her

E **G**
To this day we all sit around

D **E G D**
And dream of ways to get higher

E
To get much higher

E **G**
Tell your friends not to think aloud

D **E**
Until they swallow

E **G**
Whisper things into my brain

D **E**
Your voice sounds so hollow

E **G**
I am not a leader of men

D **E**
Since I prefer to follow

E **G**
Do you think I could have a drink

D **E G D**
Since it's so hard to swallow

E
So hard to swallow
