

Bed

Nicki Minaj

Got a bed, wit' your name on it
Wit' your name on it
Got a kiss, wit' your name on it
Wit' your name on it

Thousand on the sheets
Waiting for you and some thousand other sheets
I got Tha Carter III on repeat
Back shots to the beat of (a milli') on you
Got me acting like you got a milli' on you
You say I'm the GOAT, yeah the billy on you
I could make all your dreams come true
Wanna fall through, then you better come through

Don't make me awake until the morning

Got a bed, wit' your name on it
Wit' your name on it
Got a kiss, wit' your name on it
Wit' your name on it
Love me good
Let me down, don't turn me down
Got a bed, wit' your name on it
Wit' your name on it

Strawberry lingerie
Waiting for you, strawberries lingerie
You told me you on the way
Messed around, messed around, put it down on you
I'mma do everything I said I'm gon' do
Pretty little body it look better on you
Might have to blubber like a feather on you
What if alls, oo, yeah you better come true

Don't make me awake until the morning

Got a bed, wit' your name on it
Wit' your name on it
Got a kiss, wit' your name on it
Wit' your name on it
Love me good
Let me down, don't turn me down
Got a bed, wit' your name on it (Ooh yeah)
Wit' your name on it

(I'm)
A-all, all in (I'm in)
A-all, all in
A-all, all in
A-all, all in (Put your name)

Yo, he and my stunt hit five
He get that ciggy live
These niggas scared they doing 50 in a 55
I'm trynna clap them like somebody told 'em gimme five
I'm be a half an hour but I told 'em gimme five
I'm trynna dance on 'em, blow my advance on 'em

I like 'em better when he got some sweatpants on 'em
I like his hang time, he said his head right
I said go all the way down and then head right
I watch him fuck it up, look at him luckin' up
I said you need some thick skin, baby, suck it up
He go insane on it, I put my fame on it
Coulda put Zayn on it, but I put your name on it

Got a bed, wit' your name on it
Wit' your name on it
Got a kiss, wit' your name on it
Wit' your name on it
Love me good
Let me down, don't turn me down (turn it down, baby)
Got a bed, wit' your name on it
Wit' your name on it
