Ayo, it's the UK baddie and the Barbie

Love a little bitter in the sweet
Bad boy, my recipe
Bein' nice a little borin' when you in between the sheets
When I ride that hee-haw, you know I know how to please ya

Ooh, I like them tattoos and them gold teeth
Type to make me feel like I'm a baddie
I like the fire you're bringin' out of me
Baby, somethin' 'bout him got me weak in the knees

The hold that you got should be criminal
My mama won't see what I see in ya
But I don't want it if it ain't bad enough
I don't know what it is, I

I like a bad, bad boy (Boy)
You know I like a bad, bad boy (Boy)
I like a bad boy, you can't stop me
I love bad boys for life
I like a bad, bad boy (Bad boy)
You know I like a bad, bad boy (Bad boy)
I like a bad boy, you can't stop me
I love bad boys for life

Got a little attitude, but I think he's kinda cute
So hood, so good, so damn taboo
Know you know how to please me
Like it raw, baby, sashimi

Ooh, I like them tattoos and them gold teeth
Type to make me feel like I'm a baddie
I like the fire you're bringin' out of me
Baby, somethin' 'bout him got me weak in the knees

The hold that you got should be criminal
My mama won't see what I see in ya
But I don't want it if it ain't bad enough
I don't know what it is, I

I like a bad, bad boy (Boy)
You know I like a bad, bad boy (Boy)
I like a bad boy, you can't stop me

Bad bitches want a bad boy (Come on)

Whoa, like Rob, won't find a prettier face (Let's go)
He gon' keep my VVSs dancing like Total
So I could just shine while he shoot up the place (Prrr)
Raspberries, cherries, and berries, I'm edible

Do these bitches like a library, done read 'em all
My body smokin', come get a pull
Lucky charms on my anklets, no, not cereal
Jesy, we got all these jelly bitches actin' real messy
Still a bad bitch whether I'm sporty or I'm dressy
I don't know why I got these dudes actin' zesty
But I only want a bad boy as my bestie
