

Break Up

Nicki Minaj

I love you, but I don't think I can love you anymore...

[Sean Garrett]

When I kiss you so good, why would you wanna break up?
When this loving is so good, why would you wanna break up?
If I hit that so good, why would you wanna break up?
If the feeling is so good, why would you wanna break up?

[Mario (& Sean Garrett)]

Lovin' you, lovin' you, lovin' you - when I'm, when I'm
Lovin' you, lovin' you, why would you wanna break up?
Do anything for you (why would you wanna break up?)
See I be driving through your hood (why would you wanna break up?)

[Gucci Mane]

Now baby girl had dumped me, she no longer wants me
I'm no longer hired, she said that I been fired
On to the next one - more fish in the sea
Girls are like buses: miss one next 15 one comin'
Gucci Mane crazy and the ice game stuntin' (Burr)
Swag so stupid but the bitch straight dumped me
Over, no more smoking doja
Baby girl went A.W.O.L, she used to be my soulja

[Mario]

(Don't) Don't I lace you with the Gucci?
(Don't) Don't I deck you in the Louie?
(Don't) Don't I make your earlobe freeze?
(Don't) Don't when I dive I dive deep?
I know I be (gone) I know I be (gone)
I know I be (flirting with them girls)
I know I be, say I be right back but take too long
I know I be, saying I be faithful but I don't
I know I be making you them promises then breaking your heart again
Telling you she wasn't who she was then we arguing
But ba-by.. I love, you - OHH!

[Mario (& Sean Garrett)]

Lovin' you, lovin' you, lovin' you - when I'm, when I'm
Lovin' you, lovin' you, why would you wanna break up?
Do anything for you (why would you wanna break up?)
See I be driving through your hood (why would you wanna break up?), (x2)

[Sean Garrett]

You might be from the hood, but to me you're a model
Everything I ever ever seen in a model
If you leaving baby don't leave me until tomorrow
Tonight we gonna get a little tipsy with a bottle
You gonna get me up, I'm gone take 'em down
I'm gone change my ways, we gon' work it out
Girl, I wouldn't be the same if you were with somebody else
Girl, it wouldn't be the same if I were with somebody else
I know, I made, mistakes, before
Promise, you won't, get hurt, no more
I got, what you, like and, you know
Once you lay down, it's on

[Mario (& Sean Garrett)]

Lovin' you, lovin' you, lovin' you - when I'm, when I'm
Lovin' you, lovin' you; why would you wanna break up?
Do anything for you (why would you wanna break up?)
See I be driving through your hood (why would you wanna break up?), (x2)

[Nicki Minaj]

Yep, the Barbie p-p-pushing her Ferrari
You was wilding like safaris now you s-s-sorry
But I'm not listening, not listening, not listenin-ing
Cause I b-b-ball, I got gentlemen whistling
I got the referee making all kind of calls
Cause they be sweating me like NBA player balls
Now you crying, nose all stuffy
I told you, you was lucky, now I'm the bride of Chucky
Nicki!

[Mario (& Sean Garrett)]

Lovin' you, lovin' you, lovin' you - when I'm, when I'm
Lovin' you, lovin' you; why would you wanna break up?
Do anything for you (why would you wanna break up?)
See I be driving through your hood (why would you wanna break up?), (x2)

[Mario]

Now would you, break up, break up, break up? Yeah
I'm back, baby...
