

Ganja Burn

Nicki Minaj

Ayo, as the world turns, the blunt burns
(Where you gettin' at, Nicki?)
Watch them cunts learn
Fashion icon, Audrey Hepburn
I move keys, but you hoes get one turn
Yeah, you get one turn, and one urn
I straighten all these bitches out with one perm
Who ever gassed 'em ain't none of my concern
But, see the Lord showed me dreams to confirm
They done went to witch doctors to bury the Barbie
But I double back, kill bitches, bury the body
And that go for anybody, you'll be thoroughly sorry
I could wage war or I come in peace like Gandhi
All my powers back now I'm scary to zombies
Bring the heat to a sizzle, I ain't talking [?]
I done fasted and prayed, had to cleanse my body
Abstaining from sex, had to zen my body
I ain't giving, so don't ask, I don't lend my body
Gotta be king status to get in my body
(He gotta be king status to get in ya body?)
f*ck, yeah, cause a Queen is what I embody

Ganja burn, ganja burn, ganja burn, oh
Ganja burn, ganja burn, ganja burn, oh
Everytime I get high I just think about you
Everytime I get high I just think about you
Everytime I get high I just think about you
Everytime I get high I just think about you
Ganja burn, ganja burn, ganja burn
Ganja burn, ganja burn, ganja burn

Yo, you can't wear Nicki wig and just be Nicki
That's like a fat nigga thinkin' he can be Biggie
Oh you drink CÎROC now? Okay, you P Diddy?
Oh you a young G Herbo or Lil Bibby?
You made one cold beat, now you Kanye?
You got a nigga named Jay, now you Yoncé?
You got about three stacks, now you André?
You put a part in your fade now you're Nas babe?
You gotta have real skill
Gotta work for that
If it's really your passion would you give the world for that?
Unlike a lot of these hoes where the wack a lick
At least I can say I wrote every rap I spit
Put my blood, sweat and tears in perfecting my craft
Still every team's number one pick in the draft
You could bring anybody, weather man, pick a day
Kobe, KD, Kyrie! Pick a K

Ganja burn, ganja burn, ganja burn, oh
Ganja burn, ganja burn, ganja burn, oh
Everytime I get high I just think about you
Everytime I get high I just think about you
Everytime I get high I just think about you
Everytime I get high I just think about you
Ganja burn, ganja burn, ganja burn
Ganja burn, ganja burn, ganja burn
