Nicki Minaj

I am not your regular degular
I am just so extracurricular
I will not get off into particulars
I just copped a coupe, that bitch ridiculous

Up in the skies, I am so famous, I need a disguise
Cuttin' some ties, that's word to Kendrick, they killin' my vibe

They screamin' from Africa to Australia
I told 'em that I've always been peculiar
Queenin' down to the letter, as in Julius
Thick in the thighs, thin in the waist, I be catching them eyes
Look at the ice, whippin' that work, I be flippin' them pies
Flippin' them pies, givin' him work whenever he applies
Look at the size, supersi-ize, I ain't talkin' the fries
