

## Roman In Moscow

**Nicki Minaj**

I'm big bully, no bike gear  
I told you bitches last year, I'm a rap bitch nightmare  
That's why I call you Buzz Lightyear  
'Cause by the time you start buzzin', bitch, you gone have white hair  
Paparazzi was a fright scare  
When I landed out in London it was lookin' like Mike Dear  
Mike Jack, who's bad?  
Ain't on my period, but I got a new pad  
Channel 5, news flash  
Pussy clean, who smash?  
None of y'all, Canary Yellow Ball  
These bitches should be worshippin' me in the synagogue!  
Hum, hum, done the prayer  
B-b-b-b-bitch I ball, underwear  
Oh! Hum, hum, done the prayer?  
Did I tell 'em that I ball, underwear?

Okay  
Roman, yall want the full? (4x)  
Bitches is insane  
These bitches ain't in my lane  
Only bitches in the plane is bitches that give me brain!

Hold on, this shit is lethal  
Roman, this is the sequel  
Moscow, that's where I keep 'em  
Until he's fully charged  
Your favorite rapper prolly suck  
As for me, Icy, hockey puck  
Anyway, I'm on that new shit  
Every trend, I introduce it  
Motherfuck you with a big dick  
I'm a racist, I'm a bigot  
Bitch, I'm thicker than a midget  
Yeah I'm crazy, just a smidgen  
Motherfuck me, get my waffle  
Please forgive me for my nasal  
Hold on...fuck you  
Brace yourself, buck tooth  
Yeah I golf, putt two  
Swallow balls, nuts toooo-

Camel toe  
Roman, yall want the full? (4x)  
Bitches is insane  
These bitches ain't in my lane  
Only bitches in the plane is bitches that give me brain!
