

Don't Mind

Nicklas Sahl

Cold like money
Sweet like honey
Ain't no safe bet when it comes to you
In bed with the devil
First class to heaven
I stuck my teeth in forbidden fruit

You steal my freedom
Make me lose my reason
I'm not acting like me as I'm giving in to your love

But I don't mind
No, I don't mind
You can take my precious time
Just one touch
And you get lost
It's a power you can't fight

Hot like Nevada
Deep as the water
Ain't no sunshine when she's gone, no no
Disguised as an angel
But you leave me a mess
There's no halo glowing over your head

You steal my freedom
Make me lose my reason
I'm not acting like me as I'm giving in to your love

But I don't mind
No, I don't mind
You can take my precious time
Just one touch
And you get lost
It's a power you can't fight

I really just don't mind
Cold like money but I just don't mind
Hot like the summer heat
Yeah, it's a power you can't fight
I really just don't mind
Cold like money but I just don't mind
Hot like the summer heat
Yeah, it's a power you can't fight

But I don't mind
No, I don't mind
It's a power you can't fight
