

Hero

Nicklas Sahl

Yesterday, I saved the world
I know it seems a bit absurd
But trust in me, my every word
I flew the sky just like a bird
I guess you missed the news tonight
It's like you haven't realized
I gave my all, I risked my life
Just to get you by my side

I think I tried everything
But you don't hear anything
What can make you listen?
I can't take it no more

I fight to do my best for you
I won't let you down, won't let you down
I know I'm dreaming, but I'll carry through
I won't let you down, won't let you down

I wanna be your hero, be your hero
I wanna be your hero
I will never let you down

I know I'm just a normal guy
But superpowers make you smile
So how can I get close to you?
That's really all I wanna do

I fight to do my best for you
I won't let you down, won't let you down
I know I'm dreaming, but I'll carry through
I won't let you down, won't let you down

I wanna be your hero, be your hero
I wanna be your hero
Say that you're in need of me now
I wanna be your hero, be your hero
I wanna be your hero
I will never let you down

I think I tried everything
But you don't hear anything
What can make you listen?
I can't take it no more

I wanna be your hero, be your hero
I wanna be your hero
Say that you're in need of me now
I wanna be your hero, be your hero
I wanna be your hero
Oh, I will never let you down, you down, you down, you down

Oh, I'll never let you down
I'll be your hero
