

Time

Nicky Romero

No words to say
Still on my mind
So tell me, babe
Are you comin' over?
Oh, I'll stay awake
If that's okay
Don't stay away

Baby, what do you mean when you say it's over
'Cause I just need more time with you
(Time with you)
Every word, every kiss, wanna pull you closer
(Pull you closer)
Oh, I just need some time with you
Time with you

Baby, what do you mean when you say it's over
(Don't say it's over)
'Cause I just need more time with you
(Time with you)
Baby, what do you mean
Baby, what do you mean
Baby, what do you mean
