

Warriors

Nicky Romero

Emerging from the dust and rubble
We grow
We grow
Turning with the tides of trouble
We know that's how it goes

The world keeps on moving, all on its own
Don't be afraid if you're far from home
No need to worry, you are who you are
We fight to survive

Because we are warriors
Fighting to survive
We are warriors
We are
We are
We are
Warriors

Warriors
We are
We are
We are
Warriors

(woohoooo)
(woohoooo)

We are
We are
We are
Warriors

Rushing as the moments coming
We fall
We fall
Standing up to keep on running
We know that's how it goes

The world keeps on moving, all on its own
Don't be afraid if you're far from home
No need to worry, you are who you are
We fight to survive

Because we are warriors
Fighting to survive
We are warriors
We are
We are
We are
Warriors

(woohoooo)
(woohoooo)

We fight to survive
We are warriors

(woohoooo)
We are
We are
We are
Warriors

(woohoooo)
(woohoooo)

We are
We are
We are
Warriors
