Changes

Nico Santos

I only feel alive 'cause I know I found somebody I would die for
I remember summer nights in the south always givin' me a ride home
And all I see is your open arms
All I need, need you to know that

I will never let you down
If you ever get knocked out
Promise that I'll always be around

We been through changes, people always come and go
But you know I ain't one of those
Oh, I swear I'll meet you there in the middle
We've been through changes, nothin' ever stays the same
But we gon' find the light in pain
Oh, I swear I'll meet you there in the middle

Used to waste my time on the ones that I never should've cried for
But lookin' in your eyes, I can tell that you're gonna break the cycl

(Ah, ah) My momma said, "Never let your friends down"
(Ah, ah) My brother said, "Hold on to the real ones"
(Ah, ah) You got my word, I will never give up, up, up
(Ah, ah) My momma said, "Never let your friends down"
(Ah, ah) My sister said, "Hold on to the real ones"
(Ah, ah) You got my word, I will never give up, up, up

We been through changes, people always come and go
But you know I ain't one of those (Yeah, eh-eh)
Oh, I swear I'll meet you there in the middle (In the middle)
We been through changes, nothin' ever stays the same (Nothin')
But we gon' find the light in pain
Oh, I swear (I swear) I'll meet you there in the middle (Oh, oh-oh)

We've been through changes, nothin' ever stays the same
But we gon' find the light in pain
Oh, I swear I'll meet you there in the middle
