

Love On Me

Nico Santos

Why does it feel like
You can see right through me
And all of my bullshit?
I never realized
The way that you ride for me
I don't wanna lose it

I just wanna hear you say, baby
Now say, baby, now say
You won't let me get away with it
Away with it, no way

Nobody knows me like you do
Pulls all my triggers like you do

Nobody knows me like you do-uhh
Nobody makes me lose my cool like you-uhh
And every time you put your love on, love on me
It's alright, just put your love on, love on me
Nobody drives me up the wall like you-uhh
Makes me feel I'm ten feet tall like you-uhh
And every time you put your love on, love on me
It's alright, just put your love on, love on me

Why does it feel like
Where in a risin' tide?
Can't do this without you
Let's make it alright
You always pull me back
That's the magic about you

I just wanna hear you say, baby
Now say, baby, now say
You won't let me get away with it
Away with it, no way

Nobody knows me like you do
Pulls all my triggers like you do

Nobody knows me like you do-uhh
Nobody makes me lose my cool like you-uhh
And every time you put your love on, love on me
It's alright, just put your love on, love on me
Nobody drives me up the wall like you-uhh
Makes me feel I'm ten feet tall like you-uhh
And every time you put your love on, love on me
It's alright, just put your love on, love on me

Love on, love on me
It's alright, just put your love on, love on me
And every time you put your love on, love on me
It's alright, just put your love on, love on me

Nobody knows me like you do-uhh
Nobody makes me lose my cool like you-uhh
And every time you put your love on, love on me
It's alright, just put your love on, love on me

Nobody drives me up the wall like you-uhh
Makes me feel I'm ten feet tall like you-uhh
And every time you put your love on, love on me
It's alright, just put your love on, love on me
