Hey, hey, yeah
Hey, hey, yeah
Hey, hey, yeah
Hey, hey, yeah

I waited all my life,
And when you know you know,
You gotta take and were trying to maaaaake.
It all happened those days, days, days
Go by in the days, days, days
Thats why they say, if its all a game.
Uh, theyre saying you took the wrong way,
Uh, but there is no right way!

We, we own this town,
We own this place,
We own these people
Weve got this love, we must protect it
We are above,
And no one can wreak it!
(2x)

I knew it for some time,
And when you know you know
I am afraid of the joys you make.
Your daddy looks for work
Dont take it all, take it all back
When this is all we have!
Uh, they're saying you took the wrong way,
Uh, but there is no right way

We, we own this town,
We own this place,
We own these people
Weve got this love, we must protect it
We are above,
And no one can wreak it!
Nobody can wreak it!
Nobody can wreak it!
(2x)

When it kills you, and you dance
When it hurts you and you dance
When it burns you and you dance
When you die, you still dance!
(3x)

We, we own this town,
We own this place,
We own these people
Weve got this love, we must protect it
We are above,
And no one can wreak it!
(4x)
