

Do It Solo

Nico Vega

What you want ain't gonna work for me
If I don't leave you're gonna waste my time
What you want ain't gonna work for me
If I don't leave you're gonna waste my time

Oh-oh, oh-oh
I'll do it solo
Oh-oh, oh-oh
I'll do it so
Oh-oh, oh-oh
I'll do it solo
Oh-oh, oh-oh
I'll do it so

What you gonna act like this for?
Why ya ain't gonna tell me I'm wrong?
You could look around for another one
But baby don't ya know that I'm the one

What you want ain't gonna work for me
If I don't leave you're gonna waste my time
What you want ain't gonna work for me
If I don't leave you're gonna waste my time

Oh-oh, oh-oh
I'll do it solo
Oh-oh, oh-oh
I'll do it so
Oh-oh, oh-oh
I'll do it solo
Oh-oh, oh-oh
I'll do it so

Did you ever think you should ask me
How I feel about this love?
You could look around for another one
But baby you were lookin' out for another one

What you want ain't gonna work for me
If I don't leave you're gonna waste my time
What you want ain't gonna work for me
If I don't leave you're gonna waste my time

Oh-oh, oh-oh
I'll do it solo
Oh-oh, oh-oh
I'll do it so
Oh-oh, oh-oh
I'll do it solo
Oh-oh, oh-oh
I'll do it so
