

No Home

Nico Vega

You're always refused and you feel like a loser,
And when you're rejected you start disrespecting yourself
And then you want to go home

And when there's no home and there's no one who knows you,
You're always alone and it's taking a toll on your soul
And so you want to go home

When there's no home
You've got to fight for what you love and build your own

And when you realize that there's no one to guide you,
You often give in to temptation, sometimes you get lost
In hopes of making a home

So, let me remind you that in this short time you
Could lose what you have and your gift is your laughter
You know, that you can make a new home

When there's no home
You've got to fight for what you love and build your own
When there's no home
You've got to fight for what you love and build your own

If you let me lean on you, then I will let you lean on me
And if you let me lean on you, then I will let you lean on me
And build your home

I will be your home
Yes, I will be your home
I will be your home
Yes, I will be your home

So, if you let me lean on you, then I will let you lean on me
And if you let me lean on you, then I will let you lean on me
And build your home
