Wars

Nico Vega

I'm trying, trying not to let you down
Disappointment is a waist of time
Look into my eyes and ask me if I'm on your side
Baby, we are doing fine
Little dragon burning down the stratosphere
I was scared but I have no fear
Look into my eyes and ask me if I'm on your side
Baby, we are doing fine

Oh, oh, oh, tell me that I'm on your mind
Eh, eh, eh, I can't hear you
Oh, oh, oh, this is such a waist of time
Eh, eh, don't make me side you

Oh, oh, oh, I'm not a violent soul
I settle my wars with a white flag
Wake up, wake up, there's a nasty cold fog
Taking us down, it's a slow drought

Oh, oh, oh, tell me that I'm on your mind
Eh, eh, eh, I can't hear you
Oh, oh, oh, this is such a waist of time
Eh, eh, don't make me side you
Oh, oh, oh, tell me that I'm on your mind
Eh, eh, eh, I can't hear you
Oh, oh, oh, this is such a waist of time
Eh, eh, don't make me side you

I'm trying, trying not to let you down
Disappointment is a waist of time
Look into my eyes and ask me if I'm on your side
Baby, we are doing fine
Little dragon burning down the stratosphere
I was scared but I have no fear
Look into my eyes and ask me if I'm on your side
Baby, we are doing fine

Oh, oh, oh, tell me that I'm on your mind
Eh, eh, eh, I can't hear you
Oh, oh, oh, this is such a waist of time
Eh, eh, don't make me side you
Oh, oh, oh, tell me that I'm on your mind
Eh, eh, eh, I can't hear you
Oh, oh, oh, this is such a waist of time
Eh, eh, don't make me side you
