Nicole C. Mullen

B-R-A-I-N

I need a brainwash  
From my head to my soul  
I need a brainwash  
Bring it down to my toes  
I need a brainwash  
In and out 'cause you know  
I need a B-R-A-I-N double wash  
Brainwash  
From my head to my soul  
I need a brainwash  
Bring it down to my toes  
I need a brainwash  
In and out 'cause you know  
I need a B-R-A-I-N double wash

Overwhelmed by the stuff on TV  
Overloaded from the pressure fallin' on me  
Light head, oxygen I've gotta breathe (Huh)  
Email, Myspace backin' up all the time  
Voicemail, press one if you're on the line  
Transformer, can you renew my mind

I need a brainwash  
From my head to my soul  
I need a brainwash  
Bring it down to my toes  
I need a brainwash  
In and out 'cause you know  
I need a B-R-A-I-N double wash  
Brainwash  
From my head to my soul  
I need a brainwash  
Bring it down to my toes  
I need a brainwash  
In and out 'cause you know  
I need a B-R-A-I-N double wash

Smack dab in the front of my mind  
All that I've done wrong re-play and rewind  
How can I erase it forever this time?  
Smack dab in the pit of my soul  
This guilty feelin's diggin' a hole  
And my thoughts are spinnin' out of control (You know what you did)

I need a brainwash  
From my head to my soul  
I need a brainwash  
Bring it down to my toes  
I need a brainwash  
In and out 'cause you know  
I need a B-R-A-I-N double wash  
Brainwash  
From my head to my soul  
I need a brainwash  
Bring it down to my toes

I need a brainwash  
In and out 'cause you know  
I need a B-R-A-I-N double wash
