

Ooo-Eee

Nicolette Larson

Ooh-eee
I've been around the world a bit
But you're the best thing I've seen yet, oh my
Ooh-eee
My love
And if you want to take me on
We might be at it until dawn, oh my
Ooh-eee
My love

Ooh-eee, ooh-eee
My baby
Ooh-eee
My baby
Ooh-eee
My love

I just came by to let you know
I'll never ever let you go
Oh, my
Ooh-eee
My love

And if you ever, ever stray
I know that that will be the day
That I die
Ooh-eee my love

Ooh-eee, ooh-eee
My baby
Ooh-eee
My baby
Ooh-eee
My love

Hey baby
I see where I've been
And you know where I'm going
Come on, boy
My heart's on my sleeve
And my love is showing

Ooh
If you stay around
I'm never ever gonna let you down
Oh, oh, my
Ooh-eee
My love

Ooh-eee
Ooh-eee
My baby
Ooh-eee
My baby
Ooh-eee
My love

Ooh-eee
Ooh-eee
My baby
Ooh-eee
My baby
Ooh-eee
My baby

Ooh-eee
My baby
Ooh-eee
My baby
Ooh-eee
My baby
Ooh-eee
My baby
