

Eternal Flame

Nicotine

Close your eyes, give me your hand, darling
Do you feel my heart beating, do you understand?
Do you feel the same, am I only dreaming?
Is this burning an eternal flame?

I believe it's meant to be, darling
I watch you when you are sleeping, you belong with me
Do you feel the same, am I only dreaming?
Or is this burning (burning) an eternal flame?

Say my name, sun shines through the rain
A whole life so lonely, and then you come and ease the pain
I don't want to lose this feeling, oooh, ooh...

Say my name, sun shines through the rain

I don't want to lose this feeling, oooh...

Close your eyes and give me me your hand
Do you feel my heart beating, do you understand?
Do you feel the same, am I only dreaming?

(Close your eyes and give me your hand, darling
Do you feel my heart beating, do you understand?
Do you feel the same, am I only dreaming?)
Is this burning an eternal flame?

(Close your eyes and give me your hand, darling
Do you feel my heart beating, do you understand?
Do you feel the same, am I only dreaming, oooh...)
An eternal... flame

(Close your eyes and give me your hand, aaah...
Do you feel my heart beating, do you understand?
Do you feel the same, am I only dreaming?
Is this burning an eternal flame?)
