

# With Or Without You

Nicotine

[Originally by U2]

See the stone set in your eyes  
See the thorn twist in your side  
I wait for you

Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait without you

With or without you  
With or without you

Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you

With or without you  
With or without you  
I can't live  
With or without you

And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away

My hands are tied  
My body bruised, she's got me with  
Nothing to win and  
Nothing left to lose

And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away

With or without you  
With or without you  
I can't live  
With or without you

With or without you  
With or without you  
I can't live  
With or without you  
With or without you
